

## The Latest News From MDL Manufacturing

### United Way Golf Outing

MDL was proud to be a sponsor of the United Way Golf Outing on June 24, 2016. The United Way of Bedford County hosts the Golf Outing and Ball Drop once a year as a fundraiser for the community. This year 348 ball drop tickets were sold and after event expenses, UWBC raised around \$7,500.00!

The UWBC's mission statement is "to increase the organizational capacity for people to care for one another." Through annual Campaigns UWBC has allocated over 2.5 million dollars to county non-profits. In addition to supporting our Partner non-profits, the local United Way

supports the community by coordinating various service projects throughout the year.

### Bedford Chamber Tours MDL

Earlier this month multiple educators and members of the Bedford Chamber toured MDL as part of an initiative to encourage more students to pursue manufacturing as a career. The amount of qualified workers in manufacturing has declined over the years and we are happy to see programs that are presenting manufacturing as a career worth pursuing.

### Happy 4th of July From MDL!

We would like to wish everyone a safe and happy 4th of July Weekend!
